

2011-2012 Competitive Information Sheet

Welcome to the Oldsmar Soccer Club! Please take a moment and review the following information about our support programs and fundraising partners. If you have fundraising ideas please feel free to contact us. We always want to hear from you so please add info@oldsmarsoccer.com to your email contact list.

VolunteerSpot.com is our preferred method of volunteer sign up. It is a web-based program that allows you to sign up for volunteer opportunities from your computer. It gives you real time availability as well as lets you see who else has signed up for activities. Once we load the activities you will receive an easy to use link that takes you right to our club's pages.

The Oldsmar Buffalo Wild Wings restaurant will give the club 10% of your total bill every time you eat there. Save your receipts and give them to your team manager. Have your team meetings, family functions or any other party you can think of at BWB. Have friends that eat there? Get theirs too! Every little bit helps.

Green Market Café/Kiwi Frozen Yogurt, located in the AMC Shopping Complex in Oldsmar is another of our sponsors. They offer 10% to 15% back to our club with different promotions throughout the season. Kiwi also has promotions that offer free frozen yogurt for players in uniform so make sure to stay in touch so you can take advantage of these seasonal offers.

Kona Ice is our newest fundraising sponsor. You can't miss their truck at the fields during the hot weather months. Kona Ice donates 20% of their sales back to OSC so when you see the truck, stop by and enjoy their great Hawaiian Shaved ice and help the club raise money.
