

U19 Travel Rec takes the older recreational players to a higher level of competition by having them play teams from the surrounding clubs. Travel Rec teams will take part in the Gulfcoast Youth Soccer League. **They will play half their games at The Oldsmar Sports Complex and the other half on the road at other Pinellas County locations.** Their training is more intense and really fine tunes all the skills they have learn throughout the previous seasons. These games are officiated by OSC Adult and Youth USSF certified referees. Geared towards the player that wants to be competitive but may not have the time to give that the Competitive Program requires. Players of all levels are invited to participate.
